

The PRO Edition

LOWER SCORES are not a guarantee... They are the NATURAL RESULTS.

Today's best self-teaching instructional guide & training aid, in a language you'll understand.

For serious amateur golfers
who want to improve...
with a passion!

Featuring:

- **Drills** - Making the most of your limited practice time.
 - The quickest and easiest way to cure your slice.
 - A step by step lesson to better ball striking, using the *Thumbs Down*™ Method.
- **Do's and Don'ts** - Learn what to and what not to do, as demonstrated by the worlds best pros.

Here's what they're saying...

about the PRO Edition.

"These are the swing fundamentals I teach to my students, made simple.

There's nothing not to like."

Dan Pasternak- Head Professional
Springdale Golf Club, Princeton, NJ.

Quotes from amateur golfers after trying the *Thumbs Down*™ method.

- ◆ "I like it! Now I have something meaningful to visualize during my downswing. I'm confident I'll hit the ball solid and online." Ted K.
- ◆ "My friend, you really have something here! The ball went right where I was aiming and a lot longer than ever before." Jonathan C.
- ◆ "I'm amazed! It was simple and I saw the results from the first shot.. Lookout, the dreaded straight ball is back in my game. Chris H.
- ◆ "It gave me the most fundamental improvements to my golf swing in the past 20 years." Henry K.

Trade in the Preview Edition. **Receive \$5 toward the Pro Edition** (even if you received it for free). **Price \$20** (plus tax, S&H).
